

JOSHUA H. RASSEN MD

Dear Patients,

As you are aware, our medical office in San Francisco will be closing on December 31, 2019. After that date, I will no longer have a practice in San Francisco.

For some of you who have asked about my future plans, I am delighted to confirm that I am relocating my practice to Sonoma.

I will be sharing an office with Dr. Yong Liu. She is an internist who is long-established in Sonoma. Dr. Liu did her residency at St. Mary's Hospital in San Francisco.

As of January 2020, my medical office will be at:

181 Andrieux Street, Suite 202, Sonoma CA 95476.

The office is a half-mile from the Sonoma Plaza, and one block west of Broadway.

The phone number is 707 – 938 – 8674.

My new location has excellent parking right next to the entrance to the building. The office is on the second floor, with an adjacent elevator as well as a stairway.

For some of you, the Sonoma location will be more convenient than San Francisco.

For others who wish to travel to Sonoma, I will be delighted to see you there!

I sincerely appreciate your loyalty, support and friendship over many years.

Joshua Rassen, MD
